\*\*Selected to 2014 Rising Stars

## BATTLE TESTED. RAZOR SHARP.™

There is a difference between a litigator and a trial lawyer. Trial lawyers can tell you what it feels like the moment you stand before a judge, jury, arbitrator or mediator on behalf of a client—because it is a part of a trial lawyer's everyday practice.

The attorneys at Deans & Lyons are trial lawyers. With over 100 years of combined experience, they try cases on both sides of the docket, representing everyone from individuals and small businesses to giant, international corporations in complex, bet-the-company personal injury, products liability and commercial litigation matters across the United States.

Greg Deans and Michael Lyons founded Deans & Lyons, LLP after honing their craft at large, full-service law firms. They started the firm in May 2008 with three attorneys; a mere six years later, Deans & Lyons, LLP has grown to 10 attorneys, with offices in both Dallas and Houston, and has earned a reputation as one of Texas' premier boutique litigation law firms.

The lawyers at Deans & Lyons, LLP have represented clients in matters from New Jersey to California. They take pride in the firm's experience handling high-exposure, complex matters involving catastrophic personal injury, wrongful death, products liability and commercial litigation matters, including business, real estate, banking, construction, securities, or class action disputes, regardless if it is before a judge, jury or arbitration panel.

In addition to Deans & Lyons lawyers being honored on the 2014 Super Lawyers list, the firm's lawyers are active leaders in the legal community. Michael has attained an AV® Preeminent™ peer-reviewed ranking and is a fellow of the Dallas Bar Foundation. In 2013, *D Magazine* named him "One of the Best Lawyers in Dallas," and in 2005 named him among "The Best Lawyers in Dallas Under 40."

That's why any one of the lawyers at Deans & Lyons, LLP will tell you the firm's motto isn't just a catchy saying—it's what they are. Battle Tested. Razor Sharp.™
